### **Sweet Charity Auction and Competition Reception**

(Enjoy cocktails, appetizers, competition and auction)

### What is this event?

Here's your opportunity for your business or organization to be highlighted at the coolest, most unique event in Santa Clarita. Design a cake that best reflects your mission, logo, or product – think big, bold, creative, eye catching. Then pair your cake with unique gifts (trips, baskets, gift certificates, services, etc.) creating an innovative and valuable auction item for guests to bid on. These auction items are to be determined by you – we can certainly make suggestions that will help increase the value of your entry. Cakes will be awarded prizes based on their originality and creativity as well as the cake that raises the most money. Need ideas? Check out our website to see pictures from the last two years ([www.helpnothassle.org](http://www.helpnothassle.org))

### Who bakes the cake?

You are free to design and bake your own cake, but if you want to hire a specialist – please call us and we can make numerous recommendations for local cake designers who are top notch!

### Can I sponsor this event? OF COURSE!

Sponsorship levels range from a Royal Icing Sponsorship of \$10,000 to a Sprinkle Sponsor of \$100. Whatever you decide to do, your contribution absolutely makes a huge impact on the success of the event. See Attached Document.

### How much does this cost to participate?

To enter a Cake/Auction Package: \$25.00 (cake price is separate and is negotiated with designer). For this entry, you will receive space at the event, listing in the press kit, and one ticket for reception.

To attend Auction & Competition Reception as a guest (Saturday 6:30pm – 10pm) - \$40.00 per person
